## 1. VOICE PROFILE & AUDIO ENGINEERING (ELEVENLABS)

### ElevenLabs Voice Configuration:

- **Recommended Preset:** `Marcus` (US Male) or `Adam` (Deep, Conversational Insider).
- **Audio Tone:** Fast-paced, high-confidence, conversational insider tone. Sounds like an everyday 32-year-old American talking straight into the smartphone lens in his car or home office — zero corporate jargon, zero radio announcer cadence.
- **ElevenLabs Settings:**
- **Stability:** 42% (allows natural human micro-inflections, breaths, and urgency).
- **Clarity + Similarity Boost:** 82%.
- **Style Exaggeration:** 18%.
- **Delivery Speed: 1.12x (~158 words per minute)** to maintain relentless momentum.

### Sound Design & SFX Cue Sheet:

- **00:00.00:** Sub-bass blast (*808 Sub Boom / Glitch Stutter*) to shock the viewer scrolling on Instagram/TikTok.
- **00:02.50:** Loud, visceral *paper tear* sound effect as a bank envelope rips open.
- **00:06.80:** Harsh *buzzer/error sting* (subtle, 100ms) representing a denied application.

- **00:09.20:** Crisp *digital mouse click / haptic toggle* followed by an instant *green chime / positive confirmation ding*.
- **00:14.50:** Deep, resonant *whoosh* transition into a rhythmic, clean hip-hop trap instrumental beat (128 BPM) playing at -18dB.
- **00:18.50:** Digital cash register *cha-ching* sound on final card tap + UI tap click sound.

## 3. PROMPTS FOR AI VIDEO ENGINES (RUNWAY GEN-3 / KLING AI / LUMA)

Copy and paste these exact prompts into Runway Gen-3 Alpha, Kling AI, or Luma Dream Machine:

### Scene 1: The Frustrated Rejection Hook (00:00 - 00:03)

> **Prompt:** `POV extreme close-up handheld shot, 9:16 vertical orientation. A stressed 30-year-old American man in a hoodie rips a thick official white bank mail envelope with bold red capital letters stamped 'APPLICATION STATUS: DENIED' clean in half. Crumpled paper flies towards the camera in dramatic slow-motion, moody natural apartment lighting, gritty realistic cinematography, 4k 60fps --ar 9:16`

### Scene 2: The Smartphone Soft-Pull Pre-Approval (00:07 - 00:12)

> **Prompt:** `Cinematic commercial macro close-up of a modern iPhone held in a clean hand. The screen displays a sleek fintech quiz app interface. The user's thumb taps a button, and immediately a vibrant emerald green verification badge smoothly pulses onto the display with the words 'PRE-QUALIFIED: ZERO CREDIT SCORE IMPACT'. Crisp screen reflections, high fidelity UI design, photorealistic, 4k --ar 9:16`

### Scene 3: The Matte Black Card Confidence Shot (00:12 - 00:16)

> **Prompt:** `Low angle tracking shot in 9:16 vertical. A confident young everyday American man smiling at a modern city coffee shop counter, holding a premium minimalist matte-black metallic credit card with embossed silver numbering between his fingers. Golden hour sun flare in the background, sharp cinematic depth of field, 35mm lens, photorealistic commercial look --ar 9:16`

## 4. STATIC COMPLEMENTARY AD (1080x1350 - 4:5 FEED ASSET)

### Midjourney v6 / Flux / DALL-E 3 Prompt:

> **Prompt:** `A minimalist hyper-realistic studio product photograph of a modern luxury matte-black credit card floating weightlessly in mid-air against a deep slate gray textured background. Subtle neon green glowing rim light wraps around the edge of the card. Below the card on a glass reflection surface sits a smartphone displaying an approved green checkmark screen. Elegant moody studio lighting, 8k resolution, ultra-clean commercial advertising aesthetic, commercial financial banner style --ar 4:5 --v 6.0`

### Static Layout Overlay (Design Specs for Canva / Photoshop / Figma):

- **Top Header Pill (Yellow on Black):** `🔴 STOP APPLYING BLIND TO US BANKS`
- **Main Headline (High Impact Typography):**
  **TIRED OF HARD INQUIRIES?**
  *Find Which Cards Pre-Qualify You in 30 Seconds.*
- **3 Visual Bullet Points (With Green Checkmark Icons):**
- 🛡️ **Soft-Pull Only:** Zero Impact On Your FICO Score
- ⏱️ **Instant Results:** Pre-screened with national card issuers
- 📈 **Credit Rebuilding:** Options available for scores under 600 & 0% intro APR
- **Visual Action Button (Vibrant Blue/Green CTA):**
  `[ TAKE THE 30-SECOND QUIZ ➔ ]`
- **Footer Micro-Disclaimer (100% Meta Compliance):**
  *Pre-qualification does not affect credit score. Final approval subject to issuer review.*

## 5. PRIMARY TEXT & HEADLINES FOR US META ADS

### Primary Text (Direct Response Copy):

> Every time you submit a credit card application without knowing where you stand, banks pull a hard inquiry on your report.
>
> That single inquiry knocks 5 to 10 points off your FICO score — and if you get denied, you just damaged your credit for absolutely nothing.
>
> Here's what smart consumers are doing instead:

> National card issuers now support **Soft-Pull Pre-Qualification**. That means you can see your real card matches before you apply — without touching your credit score.
>
> Take our free 30-second quiz to filter options matched to your credit bracket: 🔹 Zero impact on your FICO score
> - 🔹 Options designed for fair, rebuilding, or good credit
> - 🔹 Discover low intro APR and rewards programs
> - 🔹 Instant pre-screening results
>
> 👇 Stop guessing and protect your score. Tap "Apply Now" to check your matches.

## Headlines for Ad Variations:

1. **Headline 1 (Loss Aversion):** *Stop taking hard inquiries. Check pre-qualified cards with 0 score impact.*
2. **Headline 2 (Curiosity/Utility):** *See which US credit cards will approve you before you apply.*
3. **Headline 3 (Direct Benefit):** *Pre-Qualify in 30 seconds. Zero damage to your FICO score.*
4. **Headline 4 (Rebuilding Angle):** *Credit score under 620? Find cards designed to rebuild fast.*
